## Easy-To-Use, Reliable, Compact Document Scanning

### imageFORMULA DR-C130 Office Document Scanner

**Easily integrate information into workflows with the Canon imageFORMULA DR-C130 document scanner. It reliably converts paper-based documents into high-quality digital images, and its compact footprint is perfect for any office environment.**

#### Wide Variety of Applications

The DR-C130 scanner is ideal for use by individuals or small workgroups for distributed scanning of many document types. It can be used to integrate information into digital workflows for activities such as process automation and information distribution, thereby improving efficiency and collaboration. Healthcare, insurance, legal services, education, and other industries can benefit from its use.

#### Easy Use

Capable of single-pass duplex scanning at up to 30 ppm, the DR-C130 scanner includes Full Auto mode, through which a single click adjusts multiple feature settings to easily deliver an optimal scanned image. The bundled Canon CaptureOnTouch software lets users assign Scan-To-Job buttons to pre-configured scan tasks for quick and easy access. CaptureOnTouch can also route scanned images directly to cloud applications such as Evernote®, Microsoft® SharePoint®, and Google Docs™, and output images in multiple file formats. The scanner is also bundled with ISIS/TWAIN drivers for easy integration with third-party software. And a convenient front panel enables easy access to scanner and power controls.

#### Reliable, Flexible Feeding

The DR-C130 scanner can reliably handle a wide variety of document types, including thick, long, or oversized documents, plastic ID or embossed cards, and driver licenses. The scanner also includes a Double-Feed Release function that allows users to conveniently handle special documents, such as envelopes. And features like Ultrasonic Double-Feed Detection help ensure that no data is lost in the event that a double-feed occurs.

#### Compact Design

Using less than a foot of space, the DR-C130 scanner's compact design maximizes desk space. The adaptable eject tray allows users to scan and receive documents in one of three ways: with the eject tray closed, open, or half-open. Eliminating the added eject tray footprint can be extremely beneficial in areas with limited space.

## High-Quality Imaging

For maximum image quality, the DR-C130 scanner includes features such as Auto Resolution setting, useful for scanning mixed batches of documents and photographs by automatically adjusting the output resolution to improve image quality and reduce image file size. Other image processing features include Character Emphasis and Text Enhancement to improve legibility, plus an advanced Deskew function. And the bundled Kofax Virtual ReScan (VRS) software can further enhance the quality of scanned images.

## Environment in Mind

The DR-C130 scanner is part of Canon's Generation Green program. It also meets ENERGY STAR® guidelines for energy efficiency and complies with the ErP Lot 6 directive for energy consumption and with the EU RoHS and WEEE directives for reduction of hazardous substances and waste products.

## Customer Care

Canon eCarePAK Extended Service Plans are available for investment protection beyond the initial one-year advanced exchange warranty period. This saves on costs associated with post-purchase maintenance and maximizes uptime throughout the product life.

## Specifications

<b>Type:</b>	Office Document Scanner
<b>Document Feeding:</b>	Automatic or Manual
<b>Document Size</b>	
Width:	2.0" – 8.5"
Length:	2.1" – 14".0
<b>Long Document Mode:</b>	Up to 118.11"
<b>Document Weight:</b>	14 - 32 lb. Bond
<b>Feeder Capacity:</b>	50 Sheets
<b>Grayscale:</b>	8-bit
<b>Color:</b>	24-bit
<b>Light Source:</b>	RGB LED
<b>Scanning Element:</b>	One-Line Contact Image Sensor (CMOS)
<b>Scanning Modes:</b>	Color, Grayscale, Black and White
<b>Color Dropout:</b>	Red, Green, Blue
<b>Optical Resolution:</b>	600 dpi
<b>Output Resolution:</b>	150/200/240/300/400/600 dpi
<b>Scanning Speeds*</b>	<b>Simplex</b> <b>Duplex</b>
Black and White/ Grayscale/Color:	30 ppm   60 ipm
<b>Interface:</b>	Hi-Speed USB 2.0
<b>Supported OS:</b>	Windows XP Professional (32-bit/64-bit), Windows XP Home (32-bit), Windows Vista® (32-bit/64-bit), Windows 7 (32-bit/64-bit)
<b>Scanner Drivers:</b>	ISIS/TWAIN
<b>Dimensions (H x W x D):</b>	11.7" x 6.3" x 6.3" (with trays closed)
<b>Weight:</b>	3.97 lb.
<b>Power Consumption:</b>	16W max. (Energy Saving Mode: 1.8W)
<b>Suggested Daily Volume**:</b>	2,000 Scans
<b>Bundled Software:</b>	Canon CaptureOnTouch, Canon CapturePerfect, EMC Captiva Cloud Capture Run Time, Nuance eCopy PDF Pro Office, Nuance PaperPort, Nuance OmniPage, NewSoft Presto! BizCard, Kofax VRS

<b>Options:</b>	Flatbed Scanner Unit 101, eCarePAK Exchange Service
<b>Other Features:</b>	Auto Color Detection, Auto Page Size Detection, Auto Resolution Setting, Background Smoothing, Character Emphasis, Color Dropout/Color Enhancement, Deskew, Double-Feed Release, Edge Emphasis, Folio Mode, Long Document Mode, Moiré Reduction, MultiStream, Pre-Scan, Prevent Bleed-Through/Remove Background, Shadow Cropping, Skip Blank Page, Text Enhancement, Text Orientation Recognition, Three-Dimensional Color Correction, Ultrasonic Double-Feed Detection, User Preferences
<b>Item Number:</b>	6583B002

\* Examples based on typical settings, rated in pages/images per minute with letter-sized documents portrait feeding directions, up to 200 dpi.

\*\* Calculations based on scanning speed and typical daily time of use.

### Utilize the imageFORMULA DR-C130 to its full potential with professional services from Canon Solutions America

When selecting and implementing new technology, a highly skilled technical team is the difference-maker for a successful deployment.

Canon Solutions America has the team of experts you need to help you acquire the right technology, solutions, and services for your organization. Our team of technical professionals draws upon decades of technical expertise and real-world experience to ensure you obtain the maximum benefit from your technology investment.
